

Debbie Schumacher

Village Trustee

Debbie Schumacher was first elected to the Village Board in 2006 as the first woman ever to serve the Hobart residents. She was since re-elected 5 times for a total of 11 years of service. Debbie enjoys being a Village Trustee because of the problem solving opportunities it presents. She is a news and information junkie, and a chronic organizer, which allow her to effectively contribute to the Village's challenges and accomplishments alike. Besides her work on the Village Board, Debbie also works full time at Belson Company in their sales and marketing department.

Debbie and her husband, Jim, enjoy surrounding their lives in animals and nature, and they have found that Hobart is a great place to indulge that. They have five dogs and two cats that complete their family. You can find Debbie and Jim walking the three youngest canines for a mile each day, and the two senior dogs for 400 feet down the driveway, and to the neighbor's house and back.

Gardening and landscaping their home consumes a lot of their free time, but they find it is a great stress reliever. Debbie starts hundreds of flowers and vegetables from seed in her basement, making this a year-round hobby.

Debbie has fallen in love with the Village of Hobart and is always looking for ways to improve it. She would love to talk to anyone that has improvement ideas, or is looking for help solving a problem. She can be contacted by phone at (920) 655-3115 and by email at dschumacher@hobart-wi.org.
