

Jerry Lancelle

Public Works and Utilities Coordinator

Fire Chief

Jerry Lancelle was born and raised on a dairy farm, which he went on to own and operate until he changed careers and started working in excavating and on residential and commercial construction sites. He aided the Village in daily rounds and snowplowing and worked his way up to utility excavating for commercial sites and subdivisions. Jerry was promoted Public Works and Utilities Coordinator, where he runs day-to-day operations, orders supplies, and estimates jobs for utility operations. Jerry obtained a technical degree in mechanics, plumbing, and electrical, and has an operator license in groundwater and distribution.

Jerry joined the Hobart Fire Department in 1982 and held every position the department has to offer. Lancelle was the Assistant Chief from 2002-2012, and in 2012 he was elected the title Fire Chief. Jerry is a State Certified FF2 instructor, officer, engine operator, fire inspector, and in safety. He is certified in several National Incident Command System modules and is currently working on his National Blue Card Certification.

Jerry and his wife Amy have been married for 32 years and have two children together, and one dog, an English Mastiff name Zeus that is spoiled beyond belief. Jerry and Amy love to spend time with family and travel the world. During the day, you can often find Jerry working around the yard or in his shop on way too many projects, and in the evening, you will find him with his wife on the patio grilling and sitting by the fireplace.

If you have any questions, comments, or concerns Jerry can be contacted by phone at (920) 869-3807, and by email at jerry@hobart-wi.org.
