

Dave Dillenburg

Village Trustee

Dave Dillenburg began his service to the Town of Hobart in 1999 as a town supervisor. In 2002, when Hobart was incorporated as a village, he became a Village Trustee. Dave has served, or is currently serving, on the following committees and commissions for the village: planning and zoning commission, site review committee, long range planning committee, comprehensive land use committee, and water committee.

Dave and his wife Alice have a daughter, Tina, who graced them with two grandsons, Carter and Chase. Their late son Shane also gave them three more grandchildren, Dominic, Dayton, and Kaitlyn. Rounding out the crew is their teddy bear dog, Corona, who is afraid of her own shadow and thunder 30 miles away.

Dave retired from the Brown County Sheriff's Department after 37 years of service, and is currently the Vice-President of the Brown County Taxpayers Association, a rental property owner, and the owner of automotive sales and service business. When not busy with his grandkids or fulfilling his various commitments, Dave enjoys camping when the temperature is above 60 degrees, working at his hobby farm, hunting, cutting and splitting wood, and riding his 4-wheeler and golf cart. Dave is also involved in his Christian church community as a volunteer and coordinator.

If you have any questions or concerns, or are new to the neighborhood and want to say hello, feel free to reach out to Dave by phone at (920) 655-1442 or by email at ddillenburg@hobart-wi.org.
