

N. Overland Road Closure Notice

N. Overland Road from Centennial Centre Boulevard to Triangle Road (CTH VV) will be closed to traffic starting April 1st to the 9th. The temporary bypass road will be inaccessible during this time.

A detour will be setup to direct traffic to CTH U along CTH VV then south to Trout Creek and then back to N. Overland it is highly recommended to access the Centennial Centre Boulevard and general area from the CTH FF interchange during this detour.

Construction crews will be installing the Sanitary Sewer on N. Overland around the northern connection with the temporary road during this time. Once the sewer installation is complete, the temporary road access will be reopened to traffic.
