

## **Edward Kazik**

### **Village Trustee**

Edward Kazik has been a Village of Hobart Trustee for eleven years. He is also a member of the Public Works and Community Development Committee, serves on the HALO (Howard, Hobart, Ashwaubenon, Lawrence, Suamico, and Oneida) Board, and is the Recycling Coordinator for the Village of Hobart. He also served on the Village of Hobart Volunteer Fire Department for eighteen years.

Ed was employed by Brown County Highway Commission for forty years, where he held the position of Superintendent/Superintendent of Operations for twenty four years before retiring in August of 2010. During that time, Ed had the privilege of working with Towns, Villages, and the Department of Transportation. A main responsibility of his position was to ensure that the work performed by the department was completed within budget and that project timelines were met. Ed has effectively carried these skills over to his duties as a Village Trustee.

Ed has been a Hobart resident for thirty-seven years; he and his wife, Paula, currently reside on Florist Drive with their Labrador Beau. They have four grown children: Kim, Katie, Joe, and Emma. They also have six grandchildren. Ed's hobbies include working on his golf game and coaching softball at Wrightstown High School.

Edward is very proud to be a Village of Hobart Trustee, proud of the work that the Board has accomplished over the last eleven years, and he will continue to serve all our residents faithfully. If you are interested in speaking with Edward, you may contact him by phone at (920) 655-3116 or by email at [ekazik@hobart-wi.org](mailto:ekazik@hobart-wi.org).
